Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Cassandra Von)

DONT TELL ME TO WAIT: HOW THE FIGHT FOR GAY RIGHTS CHANGED AMERICA AND TRANSFORMED OBAMA

Basic Books. Hardcover. Condition: New. 336 pages. Dimensions: 1.1in. x 0.0in. x 1.1in. As a candidate in 2008, Barack Obama distanced himself from same-sex marriage, saying he believed marriage was a sacred union between a man and a woman. In 2012, he did just the opposite, proclaiming it was important for him to affirm the right of same-sex couples to marry. This dramatic about-face put the most powerful man in the world at the front of the battle for gay rights, giving LGBT Americans and their advocates an invaluable ally in their struggle for freedom. Just one year later, the Supreme Court would strike down key provisions of the Defense of Marriage Act, and no Democratic presidential nominee would ever again shun marriage equality. As former Advocate journalist Kerry Eleveld shows, Obamas support transformed the issue of gay rights from a political liability into an electoral imperative, and in *Dont Tell Me to Wait* she offers a boots-on-the-ground account of how gay rights activists pushed the president to this political tipping point. Obamas evolution on marriage equality was not the result of a benevolent politician who entered the Oval Office with a wealth of good intentions. Rather, pressure from lesbian, gay, bisexual, and transgender activists changed the conversation, issue by issue. As a result of the protests and outcry following the passage of Californias same-sex marriage ban, Obama realized that overturning the militarys Dont Ask, Dont Tell policy was the one 2008 campaign promise he couldnt ignore. While pledges to other progressive constituencies fell apart during Obamas first two years in office, the LGBT rights movement protested the administrations fecklessness early and often. By the time the sun set on the 111th Congress, the Dont Ask, Dont Tell repeal had become the sole piece of major progressive legislation to become law....
