

## Bearing Witness: Living with Ovarian Cancer (Paperback)

By -

Wilfrid Laurier University Press, Canada, 2009. Paperback. Condition: New. Language: English . Brand New Book. Bearing Witness is a collection of stories from women who went through the diagnosis of ovarian cancer, and treatment for it, only to find that the cancer recurred and any hope of recovery was gone. These women represent a spectrum of ages, ethnic backgrounds, marital circumstances, and professional experiences. From their stories we learn how each woman shapes the meaning of her life. Facing a life crisis can make one bitter and angry, but it can also provide the key to a thankful and generous spirit within. Storytelling is an important art form present in many cultures: it is a way of processing life events, of searching for meaning, and of allowing teller and listener to wrestle with the message. It is a form of teaching and learning. For the women in Bearing Witness, stories are tangible legacies for family and friends and a chance to share their thoughts on living with the glass half full. They inspire the reader to reflect on life's struggles and to find within themselves a sense of optimism, perhaps when they least expect to. Kathryn Carter's concluding...

### Reviews

*Undoubtedly, this is the best function by any writer. This really is for those who state there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.*

-- **Dr. Deonte Hammes DDS**

*Comprehensive information! Its this sort of excellent read. I could possibly comprehended every little thing out of this published e pdf. You wont sense monotony at at any moment of your time (that's what catalogs are for about when you ask me).*
