Instaread, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Summary of Wild by Cheryl Strayed - includes Analysis Preview: Wild chronicles Cheryl Strayed's adventure of self-discovery in the wilderness. The book begins thirty-eight days into her three-month odyssey on the Pacific Crest Trail (PCT). Her too-tight boots were destroying her feet. After accidentally knocking one off a mountainside, she tossed the other away. In this way, they become symbols for her former life that hemmed her in. A free spirit, Strayed's mother, Bobbi, raised her kids in a series of cheap apartments, then in a primitive house without running water in the Minnesota woods. Bobbi was so close to Strayed that they went to college together. Strayed's world fell apart when her mother, Bobbi, was diagnosed with lung cancer and died within weeks. In her grief, Strayed pulled away from her sister, brother, stepfather, and husband, Paul. Without her mother, she was not sure who she was. Nearly five years after Bobbi's death, Strayed's life had become increasingly unhappy. PLEASE NOTE: This is summary and analysis of the book and NOT the original book. Inside this Instaread Summary of Wild: Summary of the Book Important People Character Analysis Analysis of the Themes and Author's Style About the Author With Instaread, you can get the key takeaways, summary and analysis of a book in 15 minutes. We read every chapter, identify the key takeaways and analyze them for your convenience.
