P IS FOR PENGUINS HAPPY FLAPPY FEET (PAPERBACK)

Speedy Publishing LLC, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Picture books featuring wild animals help develop a child s imagination in a plethora of meaningful ways. First, the shapes and colors featured in the books will spark the child s creative spirit and potentially generate a desire to draw similar figures. Second, the picture books featuring wild creatures will likely spark questions regarding the personal preferences and proclivities of the animals. Once these questions formulate in the child s mind, she or he will likely begin to extrapolate about the answers and/or have lively conversations with his or her parent regarding the animals.
