Booksurge Publishing, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Just Encase They Think You re Stupid is a fictional easy read on the real time hot environmental topic of green coatings solutions. It answers how and why potentially hazardous materials such as Asbestos, Lead Based Painted surfaces and other questionable building stock can benefit from the use of high performance, low VOC green coatings. The credible characters in this book explain the historic and present uses of the hazardous materials and discuss the complications associated with their removal. Common misconceptions are corrected revealing a simple method that can safely and cost effectively manage them in-place. Studies show that 42 of the CO2 emissions causing green house gases are coming from landfills filled with unwanted waste, much of it from roof tear offs. Simply said, green coatings can be used to recycle and renovate existing buildings and roofs, extending their life cycle and avoiding expensive demolition, tear offs, transportation and disposal.
