Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A thousand years ago there was a bid to expand planet earth further into the dark galaxy which was inhabited by the Scorpions, the most powerful race ever created. The Scorpions had power to see through the future, the power to rewrite the past and above all were immortal. In order for them to attain such power they needed to suck biological organisms from a chosen planet after each century. Their next suck up point was planet earth but there was only one problem the primitive ancestors who had the anchor in their hands. As long as it remained in their hands earth wasn't doomed to the Scorpions. However the Scorpions immediately counter-attacked and sent the Lineage a group meant to retrieve the anchor and summon the Scorpions. The Lineage was made up of Scorpions who resembled the structure of a human being. There was no possible way of protecting the anchor from enemies who were now invisible so the primitive ancestors experimented with the anchor and created the Guardians Of Unification. This was very risky and resulted in the near annihilation of the human species. The Guardians Of Unification were entrusted with the task of protecting the anchor from the Lineage. The formation of the Guardians Of Unification caused the disappearance of the anchor for millennium until now when it returns. The question of planet earth's existence lies in the possession of the Anchor.
