CROCHET WITH WIRE

Interweave, 2005. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Crocheting takes on a new dimension in this fun and creative collection of 30 stunning yet easy-to-make necklaces, earrings, and bracelets--all made using wire. Those new to crochet will get all the basics of crocheting, including finishing off, adding new wire, and planning projects--with plenty of illustrations throughout for guidance. There is also a discussion of which crochet hooks to use, and how to choose the right wire gauge to suit any project. Most of the projects are simple, requiring single crochet, half-double crochet, and double crochet in the same basic patterns used in yarn crochet. Beaders will delight over a new way to play with beads, and seasoned crocheters will relish this fresh, innovative approach to a time-honored, favorite technique.
