Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.
(Otilia Schinner)

BOOKET, 2015. Condition: Nuevo. «El 8 de noviembre de 2008 me desperté con un terrible dolor de cabeza que en apenas dos horas desembocó en un derrame cerebral. Caí en un coma profundo, y durante siete días permanecí en ese estado, durante el cual viví una experiencia increíble y fuera de este mundo. El lugar en el que estuve es un sitio maravilloso, reconfortante y lleno de amor. No tengo miedo a morir porque ahora sé que no es el final.» Doctor Eben Alexander La lógica científica del doctor Alexander jamás había dado crédito a las experiencias cercanas a la muerte. Sin embargo, después de haber pasado por esto sabe que no son meras fantasías: Dios y el alma existen realmente, y la muerte no es el final de la existencia personal, sino una mera transición. Una historia real que nos ayudará a comprender qué nos espera más allá de la vida.
