

## MerryGold and the PeriodiCity Mysteries

By Kim Baldrige

Wiley VCH Verlag Gmbh Dez 2014, 2014. Taschenbuch. Condition: Neu. Neuware - 'MerryGold and The PeriodiCity Mysteries', the second in the 'MerryGold' series, takes place in the mythical kingdom of PeriodiCity and centers on one of the kingdom's loyal 'elementary' subjects, an inquisitive girl named MerryGold. Her curiosity in all things elemental makes her particularly suited to investigate all peculiar chemical phenomena in the kingdom. The present story begins with a gala ball thrown by King Helium and Queen Neon for all Elementarians, a suspicious phantasm of light and a quest for a special jewel to celebrate Queen Neon's birthday. MerryGold is driven to undertake a journey to understand the origins of the mysterious light; the King needs an adventurer to seek the Queen's jewel. So embarks MerryGold, at behest of the King, to the remote islands of Periodicity where a multitude of new adventures await her. One by one, she visits the Halogen Islands, enjoying many new friends and learning much about the tasks they carry out for the service of the King. When all seems lost concerning the unraveling of her own mystery, she finally discovers a vital clue that enables her to solve it. But alas, other...
