HarperCollins Publishers Inc. Paperback / softback. Book Condition: new. BRAND NEW, Bad Things, Michael Marshall, A bad thing occurred three years ago. A little boy died for no discernable reason, shattering lawyer John Henderson's world. Today he's a different man, living a solitary, simple existence in an Oregon beach house--until the night he receives a short e-mail from a stranger: I know what happened. With just four words, Henderson is pulled back to Black Ridge, Washington, the one place he'd hoped never to see again. It seems that bad things have always happened in this small town of generations-old secrets--and the shadows here seem even darker now than when tragedy first drove John Henderson away. The deeper he digs for answers, the more danger he draws toward himself and his estranged, helpless family . . . and he's not the only one who's been called home. And that's a very bad thing . . .
