

Asians in Colorado: A History of Persecution and Perseverance in the Centennial State (Paperback)

Filesize: 8.12 MB

Reviews

This pdf is indeed gripping and exciting. It is written in easy words and phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Alayna Kuphal)

University of Washington Press, United States, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Providing the most comprehensive examination to date of Asians in the Centennial State, William Wei addresses a wide range of experiences, from anti-Chinese riots in late nineteenth-century Denver to the World War II incarceration of Japanese Americans at the Amache concentration camp to the more recent influx of Southeast Asian refugees and South Asian tech professionals. Drawing on a wealth of historical sources, Wei reconstructs what life was like for the early Chinese and Japanese pioneers, and he pays special attention to the different challenges faced by those in urban versus rural areas. The result is a groundbreaking approach that helps us better understand how Asians survived-and thrived-in an often hostile environment. Offering a fresh perspective on how cycles of persecution are repeated, Wei reveals how the treatment of Asian Americans resonates with the experiences of other marginalized groups in American society. His study sheds light not only on the Asian American experience but also on the development of Colorado and the greater American West.
