SCIENCE AND THE MILLER (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Science and the Miller This little Book is the result of an effort to present some of the main facts educational and scientific of importance to the Milling Trade at the present time, believing as I do, that the education of our future millers must proceed side by side with the advancement of Science and Technical progress. I have, therefore, touched upon certain subjects which, from close observation as well as from a scientific and practical point of view, have in my opinion a direct bearing on the business success of a modern Flour Mill.
