Brand New Book ***** Print on Demand *****.Excerpt from Uniform Program Standards for the Voluntary Bovine Johne s Disease Control Program Testing and Classification, to help separate test-positive herds from test-negative herds. The program has been developed in cooperation with the National Johne s Working Group and the Johne s committee of the United States Animal Health Association, State Veterinarians, and industry representatives. The program has been approved by the us. Department of Agriculture (usda), Animal and Plant Health Inspection Service (aphis), Veterinary Services (vs). The minimum national standards described in this document do not preclude the adoption of more stringent methods and rules by any geographical or political sub division of the United States with regard to activities within their boundaries. However, regulations dealing with interstate movement must still conform to Federal regulations. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
