Heathcliff (yes, that one) has become the world s richest and most powerful man and now lives mostly in America. He loves his 48 bedroom cottage (Thrushmont Grange) in Rehoboth Beach, Delaware, one of nearly forty homes he owns around the world. Poor Heathcliff faces incessant demands made on his time by nearly all world political and financial leaders. He even considers the President of the United States, prime ministers of Great Britain, Germany, Japan, France, and China, and the Pope as pests. He hires a special assistant, one humble Nellie Smith who is also on a spiritual journey, as a personal assistant. Wait till you find out about her. Oh well. And then the fireworks begin. A distant biological cousin, Guru Kasun, a complicated and perhaps questionable man admired by the world, visits. Heathcliff s mother also comes into the picture. They both complicate matters.
