Reviews

This pdf will not be straightforward to get started on studying but really exciting to read. it absolutely was writtern really perfectly and useful. I am just very happy to tell you that this is basically the finest publication i actually have study during my personal daily life and may be he finest ebook for ever.

Ka Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.To live through the zombie apocalypse they have to survive each other first. College freshman Parker Osborne is having the worst day ever. He humiliated himself trying to pick up a cute guy, he hasn't made any friends at school, and his stupidly hot jerk of a TA gave him a crappy grade on his paper. He's going to drop Adam Hawkins film class and start fresh tomorrow after he's had a good sulk. But Parker's about to find out what a bad day really looks like-if he can survive the night. A virus is unleashed, transforming infected people into zombie-like killers. After these quick and deadly creepers swarm campus, Parker only escapes thanks to Adam swooping him onto the back of his trusty motorcycle. Now they're on the run-and stuck with each other. When they're not bickering, they're fighting off the infected in a bloody battle for survival. Their only hope is to head east to Parker's family, but orphaned Adam has a secret he's not sure Parker will accept: he's a werewolf. Can they trust each other enough to find some light in these dark days?.
