

## Fine Woodworking Video Workshop Series - Pedestal Dining Table

By Timothy Rousseau

Taunton Press, United States, 2015. DVD video. Condition: New. Language: English . Brand New Book. The perfect balance of strength and elegance. Now you can build a modern, central-column table that s made for every day. Woodworker Timothy Rousseau s pedestal dining table offers a unique approach beyond the traditional leg and apron table design. Made of walnut and featuring a central column joined together using a combination of lap joints and traditional mortise-and-tenon joints, this table is easily built using basic woodworking tools. Smooth lines, sturdy build. Rousseau s pedestal dining table features a graceful top that sports gently curved sides. Inviting to the touch and pleasing to the eye, this table will be a family treasure for years to come. This intermediate-level project includes a bonus digital plan and covers key areas for the build. Topics include: Cutting half-lapped joinery Shaping curves and tapers Mortise-and-tenon joinery Smoothing with hand and power tools Systemic glue-ups Designing a strong yet elegant pedestal.
