Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

Bantam Doubleday Dell Publishing Group Inc, United States, 1991. Paperback. Condition: New. Bantam Reissue ed.. Language: English . Brand New Book. A hidden killer.a conspiracy of treachery.and two people caught in the most desperate game of all. In Renaissance Italy, intrigue is as intricate as carved cathedral doors, but none is so captivating as that surrounding the prized Wind Dancer, the lost treasure of a family--and of the man who will stop at nothing to reclaim it. Lionello Andreas is bound by his vow to guard the exquisite statue. But to recover what is rightfully his, he will need the help of a thief--one he can control body and soul. He finds his answer on the treacherous backstreets of Florence, in a sharp-witted young woman whose poverty leaves her no choice. But in the end, the allure of the Wind Dancer, and the ruthlessness of those who would possess her, will catapult them both into a terrifying realm where death may be the most merciful escape.
