Not Avail, United States, 2012. Paperback. Book Condition: New. 300 x 201 mm. Language: English . Brand New Book. The Great Decisions briefing book features impartial, thought-provoking analyses on eight issues of concern to U.S. policymakers today. Each article is written by carefully selected experts, offers questions and tools for discussion, as well as policy options for U.S. officials. Readers are encouraged to complete the accompanying National Opinion Ballot that is compiled by the FPA and presented to the U.S. Secretary of State, Congress and the White House at the end of the year. Articles include: Middle East realignment by Augustus Richard Norton The popular revolts and upheaval of the Arab Spring have radically changed the face of the Middle East. What lies ahead for the Middle East's transition to democracy? What are the prospects for the governments that have held out in this new order? With many longtime U.S. allies ousted, how will the U.S. recalibrate its relations with the new regimes? Promoting democracy by Larry Diamond The U.S. has had a history of advancing and supporting democracy around the world. What place does democracy promotion have in U.S. foreign policy today? With a choice of tools ranging from economic aid to military force, what are the appropriate yet effective methods that the U.S. should use to promote democracy? Mexico by George Grayson Mexico's border with Central America, as well as the border it shares with the U.S., has been a pathway for people, goods, crime and contraband in both directions. How can Mexico address these transborder challenges? What is the future of Mexico's relations with its northern and southern neighbors? How will Mexico's foreign relations affect its domestic politics? Cybersecurity by Ronald Deibert The securitization of cyberspace has caused a sea change for both governments and the...
