Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In Agile Information Security, James Fitzer provides sound guidance and examples on working agility into your information security process, using Scrum as a framework, and lessons learned from the Northern Border Integration Demonstration, a high-profile U.S. Border Security project. You will find advice, examples, and team-building concepts designed to make your information security program more effective by trimming the fat from your security process and learning to thrive on change. More importantly, you ll find ways to return your information security program to the basics: protecting your organization s assets and supporting the enterprise. In a world of increasing bloat and bureaucracy, the simple approach to a working product is a welcome breath of fresh air.
