

The Papers Of Thomas Jefferson: A Collection of Selected Writings, Memoirs and Letters

Filesize: 4.24 MB

Reviews

Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Nmd Books, United States, 2011. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Thomas Jefferson (April 13, 1743 July 4, 1826) was the third President of the United States (1801 1809) and the principal author of the Declaration of Independence (1776). Jefferson was one of the most influential Founding Fathers, known for his promotion of the ideals of republicanism in the United States. Jefferson envisioned America as the force behind a great Empire of Liberty that would promote republicanism and counter the imperialism of the British Empire. Major events during his presidency include the Louisiana Purchase (1803) and the Lewis and Clark Expedition (1804 1806), as well as escalating tensions with both Britain and France that led to war with Britain in 1812, after he left office. As a political philosopher, Jefferson was a man of the Enlightenment and knew many intellectual leaders in Britain and France. He idealized the independent yeoman farmer as exemplar of republican virtues, distrusted cities and financiers, and favored states rights and a strictly limited federal government. Jefferson supported the separation of church and state and was the author of the Virginia Statute for Religious Freedom (1779, 1786). He was the eponym of Jeffersonian democracy and the cofounder and leader of the Democratic-Republican Party, which dominated American politics for 25 years. Jefferson served as the wartime Governor of Virginia (1779 1781), first United States Secretary of State (1789 1793), and second Vice President of the United States (1797 1801). Here in one compact volume are selected papers from his own personal collection, including memoirs, letters and correspondence. Included are his detailed correspondence with General George Washington, Benjamin Franklin, John Adams, Patrick Henry, John Jay and to the President of the Congress. Includes the full text...
