Crystal Heart Imprints, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Najahmara has existed in peace for over three hundred years, hidden away in a lush valley, guarded over by five tall stones that crown the plateau. Each marker carries a name written in an ancient tongue; four are dead, but the fifth: mortal priestess, or lost goddess? War seeks she who serves the Earth, certain the woman is one who ran away from him not once, but twice. Should Ares find her, vengeance will be his. This is a novel of mythic proportions, bringing the mortal world of Najahmara, an ancient village of peaceful folk, into a battle between Love and War. Based on Greek mythology and the true reason the old gods existed, there comes a reckoning for one woman who refused her real identity. This book was originally one story but has now been broken into two volumes because of length. The second half of the story is Immortal Journey: The Surrender of Ego. The third volume is The Rise of Rebellion.
