THE LIFE BEYOND THE VEIL: THE LOWLANDS OF HEAVEN: VOLUME 1 (PAPERBACK)

White Crow Books, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The now famous Vale Owen messages began after the mother of the Vicar of Orford, the Rev. George Vale Owen, passed away in 1909. Shortly afterwards, Vale Owen's wife developed an aptitude for automatic writing and through her he received messages instructing him to sit quietly, with a pencil in hand, and write down any thoughts which came into his mind. After a time, he came to understand that the thoughts were coming from an external force rather than his own consciousness. At first the messages were vague and drifted from one subject to another but gradually they began to take form and he began to receive information unbeknown to him. Most of the early messages came from an entity claiming to be Vale Owen's mother and a communicator named Kathleen, who assisted by acting as an intermediary between his deceased mother and himself. Aside from Vale Owen's mother, many of the messages came from a group of entities that wanted to relay information about the afterlife and what we can expect when we get there. Vale Owen came to the attention of Lord Northcliffe, the press baron of the day. Northcliffe was so impressed with the messages he published them in his newspaper, the Weekly Dispatch. Given that this was the era of World War I, the messages gave hope to many that their loved ones killed in battle, far from disappearing into oblivion, had transitioned to another plane of existence. Subsequently, the messages were combined into this series of four books entitled, The Life Beyond the Veil.
