The contributors to this collection all specialize in the period in question and have worked together for a number of years. The resulting studies show that these encyclopaedias open a unique window onto the migration and ordering systems of knowledge across cultural and linguistic borders. | Introduction.- Late Qing Encyclopaedias: Establishing a New Enterprise.- From News to New Knowledge : Newspapers as Sources for Early Modern Chinese Encyclopaedias.- The Complete Compilation of New Knowledge (1902): Its Classification Scheme and its Sources.- The Formation of Encyclopaedic Commonplaces during the Late Qing: Entries on the Newspaper.- Japanese Encyclopaedias. Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
