THINKING IN AN EMERGENCY (HARDBACK)

WW Norton Co, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book For sixty years, modern democratic governments have undermined democracy and increased executive power by invoking the idea of emergency. They have bypassed constitutional provisions concerning presidential succession, the declaration of war, the use of torture, civilian surveillance, and the arrangements for nuclear weapons. In the desire for swift national action, we citizens devalue thinking and ignore ways to check government power, plunging our countries into...
