Touch of Evil, Part 1: The Twins, Road to Pripyat is the story of twin girls who have superhuman powers as a result of the nuclear disaster Chernobyl. At a very young age, these girls discover they have extraordinary powers. Orphaned at age five, they re raised by an aunt and uncle and trained by a counselor who sees their unique powers as a way to make good in the world. However, it does not come with opposition. One has God-fearing, sweet nature, while the other one uses hurt, deceit to her advantage. As they grow up, their paths take them further apart, even though they re constantly encouraged to work together. In the end, they have two separate mission, in separate parts of the world. With this a few questions remain: 1. What is special powers? 2. When and where should they be used? 3. Should they be used to protect yourself and others, or should they be used to harm others? 4. Would you like to have these powers? Only you can decide!.
