

Reins of Hysteria: Concepts for Financial Success or Ruin

By Peirce Stern

Bernam Books, United States, 2012. Paperback. Book Condition: New. Chase Stone (illustrator). 203 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.Global financial turmoil has raised a few suspicions about banking. We can only guess what gave it away, but it's safe to say that flames do indeed signify fire. As an investor, you want to know the extent of the damage, and what to do from here. This nonfictional dark comedy will guide you through the misconceptions and misdirections of banking today. It will teach you how to invest wisely. Reviews: The economy seems to be spinning out of control, and no one really knows how to bring it under control. Reins of Hysteria is a guide for investors to flourish when the world burns. Peirce Stern writes with a dark humor on the matter as he advises readers to piece together their own skills and ideas to make the most of their finances for the future in a world that seems driven to see you fail. Reins of Hysteria is a strong pick for personal finance and investment collections, highly recommended. - The Midwest Book Review Stern has a background in comedic...
