Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In Agent Brooks: The Making of a Superhero, he faced off against an Afghan tribesman in a powerful display of endurance and strength and worked with a Delta Force team to confiscate a Russian nuclear device and save the day. Now, in Agent Brooks: Evolution, Ted Brooks has a new set of tasks to complete-valuable missions that will continue to put his heightened physical and mental abilities to the test. With a combination of specialized training and his signature chemical compound, Agent Brooks is tasked by Homeland Security to work with a team of agents from the CIA and Defense Department and improve their intuitive abilities and physical effectiveness by up to 100 percent. Meanwhile, upon interrogating a high-interest military prisoner in Guantanamo, Cuba, the modern-day superhero taps into the subject's mind to uncover details of an impending terrorist attack-which could devastate the city of New York. In the second exciting installment of the Agent Brooks series, new dangers are discovered and unexpected secrets revealed as Ted continues to push the limits of his abilities-and the results could cost him more than he ever thought possible.
