REMARriage ADULTERY: IN THE BIBLE (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book has a balanced approach to divorce and remarriage in this modern-day era. It has a no-nonsense, loving approach that incorporates bible definition with Spirit filled wisdom. It first educates its readers by defining what a marriage covenant is. It goes back to show God s intended purpose of marriage with Adam and Eve in the beginning. Next, it offers a fresh perspective of Jesus commands in the Gospel regarding divorce. It ventures even further by explaining the Graeco-Roman language used in 1 Corinthians 7, the Old Testament Laws they fought over and the freedoms that we share in putting others before ourselves. This book is written with a unique audience in mind. There are many books in the market about marriage. These are good but they tend to focus on speaking to two individuals who are still married. There are many books on the subject of divorce. These tend to focus on giving the believer permission to divorce in order to remarry again. This book simply does not hand a man a fish but teaches one how to decipher the Word of God, on their own, and dispels false teachings in the Church today.
