Essentials of Corporate Financial Management supports courses designed to cover the core topics of finance in 15 to 30 hours of lectures. The book is suitable for undergraduate students studying finance as part of a business related degree, MBA students, and others studying finance at business schools. It also provides the foundation elements needed by students going on to study more advanced finance. The step-by-step learning approach enables students to achieve a high level of financial knowledge without assuming a prior knowledge of finance. Selected core topics and key concepts are delivered with depth, allowing students to gain an understanding of the topical debates within this field, where disagreement or alternative perspectives lead to lively discussion. Need extra support? This title can be supported by MyFinanceLab, an online homework and tutorial system which can be used by students for self-directed study or fully integrated into an instructor's course. This product is the book alone, and does NOT come with access to MyFinanceLab.
