They are intimately connected with the principles upon which most men have to depend for success in the business of life, and appeal strongly to the judgment of all as essentially necessary in the education of the people. No sensible man now disputes their paramount importance. The time has long since gone by when a haphazard system of recording business transactions will answer the requirements of men engaged in trade and commerce. The magnitude and variety of these engagements are such that no dependence upon mere memoranda, or an unsystematic method of keeping accounts, will enable an...
