Transforming to the vegan lifestyle is truly becoming the new black. Who does not love black? Children can be very picky and scared of trying different types of food. I found a fun way that may help slowly transition your children to a healthier lifestyle. We must first start with desserts because what child does not love dessert? These desserts do have sugar in them but they are vegan, and it is a start! Featuring 15 simple but tasty vegan dessert recipes. These adorable children recipes offer alternatives to desserts that are usually heavily loaded with butter, eggs, and other animal products.
