Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book provides an important look at the history associated with the Catholic Religion in America. It is broken into six parts: the early history of world religions, the world and the American history of Christianity, the current state of American Christianity, and the future of Christianity in America and the world. So what is an accurate spiritual picture of America today? In the history of the world, there have been only two nations that have been founded entirely upon a monotheistic religion: Israel and America. In examining the history of both nations, there appear to be many parallels, namely that both nations were settled by those freed from a land of slavery and oppression, both were founded by a set of ideals based upon the Rule of Law rather than the rule of men (or kings), and both were greatly blessed and soon grew incredibly prosperous. However, after achieving vast prosperity, both nations became deeply divided between the pagans (or seculars) and those that held to the faith and principles of their founders. After being divided, both lost their place of prominence and became mocked and ridiculed by all her neighbors, which is what America has been experiencing in recent years. There is a dark cloud looming on the horizon of America. I do not pretend to be able to see beyond the looming dark cloud. I do know that a field of battle is before us. Our young people may not want to die on fields drenched red with blood, but they must battle in the classroom, in the lecture halls, at the ballot box, on Madison Avenue, in mass media, in the newsrooms, in the hospitals, and in the...
