

The Fretboard Solution (Paperback)

By Adam Baxley

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Imagine flowing from one position to the next as you play your guitar without thinking. Foresee the people around you amazed by the graceful movement of your hand as it travels up and down the fretboard. Hard to believe? Sounds too good to be true? Yet, we ve all seen it, whether on television or live. we ve seen rock stars who shred the entire fretboard, jazz guitarists who sail across those same frets with graceful finesse, and/or the young artists who weave music up and down the neck as if they have the insight of someone twice their age. These performances debunk any perceived fretboard limitations you may have; and, today, it s YOUR turn to discover how to do it, too! What Led to The Fretboard Solution: For years I struggled to get my students to memorize the fretboard. Why? Because I was teaching the same methods that I was taught growing up. During my early career as an instructor, I came to realize that there needed to be a new way of thinking about scales. Through trial...
