Hay House UK Ltd. Paperback. Book Condition: new. BRAND NEW, Choice Point: Align Your Purpose, Harry Massey, David Hamilton, Sasha Allenby, At this moment in history we're faced with one of the biggest choice points we have ever encountered. Individuals are making choices to change their nations, nature is giving us a wake-up call, economies are struggling, and for many of us the future looks uncertain. Yet people are also rallying to have a voice, awakening from their apathy of previous decades. Collectively and individually, we are being given the opportunity to make extraordinary choices in order to change where we are headed. Based on the groundbreaking film "Choice Point", which features insights from some of the world's leading change-makers, including Archbishop Desmond Tutu, Sir Richard Branson, Arielle Ford, Tony Benn, James Caan, Gregg Braden, Larry Dossey MD, and His Holiness the Gyalwa Karmapa, this inspiring book reveals exclusive material not seen in the film, and explores its exciting discoveries in greater depth. It shows you how to understand your world like never before, how to align your own true purpose with the patterns of the universe to enable you to take your potential to the next step, and finally, how to be the change that you want to see in the world around you.
