

Proportionate System of Coat Cutting (Classic Reprint)

By Charles Hecklinger

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Proportionate System of Coat Cutting The practise of the useful arts necessarily precedes their theory, for it alone can furnish reliable material whence principles may be deducted, and rules determined; and there can never be a time when it shall cease to be the test to which all rules and theories must be subjected. This is pre-eminently true of cutting (one of the old useful arts), and it is, therefore, in vain to look for a book on the construction of clothing, which shall be altogether, or mainly, original; all such books, resting on the experience of the past, must recapitulate its practice, in greater or less degree, unless they be manuals of peculiar specialty, they must partake somewhat of the nature of a compilation borrowed from many sources. I wish to acknowledge the ideas which I have borrowed; and if I fail to do so in any instance, the omission is not intentional. In some cases the views of others are so incorporated with and modified by my own, that it is out of...
