Reviews

This book might be worthy of a go through, and a lot better than other. it had been writtern really properly and helpful. You may like just how the author write this publication.

(Prof. Mattie Beatty)

FROM FLOWER TO FRUIT (PAPERBACK)

National Science Teachers Association, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. From Flower to Fruit will transform curious readers - children and adults - into budding botanists. The book draws you in with the twin charms of rich illustrations and an engaging narrative. But this is more than just a pretty storybook. It sparks curiosity about the parts of a flower and the vital roles of bees and seeds in plant reproduction. Six kid-friendly activities and background information for parents and teachers complement the text. The authors also encourage you to explore several mysteries: How does a seed change as it sprouts into a plant? Why do scientists call a tomato a fruit? Can some fruits really fly, float, and stick to your socks.
