

Cages to Jump Shots: Pro Basketball's Early Years

By Robert W. Peterson

University of Nebraska Press. Paperback. Book Condition: new. BRAND NEW, Cages to Jump Shots: Pro Basketball's Early Years, Robert W. Peterson, Basketball is now over a century old. Cages to Jump Shots offers an unforgettable glimpse of its exciting and eccentric early years, beginning in 1891 when James Naismith drew up the first rules, through decades of growing popularity and professionalism, and culminating with its fundamental transformation in the 1950s, when the twenty-four-second shot clock and team foul limit were instituted. Along the way we learn about all those who were drawn to the game-players, officials, owners, and fans-and why so many came to love it. Drawing on extensive research and a host of interviews with veteran players, Robert W. Peterson vividly recreates the rough-and-tumble basketball games of long ago and shows why basketball has become such a celebrated part of American life today. This Bison Books edition features an updated appendix of early pro basketball teams. Robert W. Peterson is the author of *Only the Ball Was White: A History of Legendary Black Players and All-Black Professional Teams* and *Pigskin: The Early Years of Pro Football*.
