## Basic Concepts in Family Therapy: An Introductory Text (Hardback)

By Linda Berg-Cross

Taylor Francis Inc, United States, 2000. Hardback. Condition: New. 2nd Revised edition. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Gain confidence and creativity in your family therapy interventions with new, up-to-date research! Basic Concepts in Family Therapy: An Introductory Text, Second Edition, presents twenty-two basic psychological concepts that therapists may use to understand clients and provide successful services to them. Each chapter focuses on a single concept using material from family therapy literature, basic psychological and clinical research studies, and cross-cultural research studies. Basic Concepts in Family Therapy is particularly useful to therapists working in a family context with child- or adolescent-referred problems, and for students and clinicians treating the problems they see every day in their community. The book builds on the strengths of the first edition, incorporating ideas and articles that have become worthy of investigating since 1990 into the original text. This new edition also introduces five new chapters on resiliency and poverty, adoption, chronic illness, spirituality and religion, and parenting strategies. The new chapters make the book far more relevant for students and clinicians trying to use family theory and technique in response to the problems they see in their communities....
