iUniverse, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Our children go to a progressive school which I m beginning to think means a school that will progressively drive their parents out of their minds. All of the essays in A Few Things I ve Noticed have one thing in common--Madora Kibbe s humorous slant on modern family life. Whether it s the momentous purchase of a first pet, the pros and cons of children s piano recitals, the irksome lack of desks in today s elementary schools, or just the simple pleasure of hanging clothes to dry on a clothes line, Madora Kibbe finds fun in the smallest details of every day doings. These essays are short and to the point, a Polaroid picture of the way we are, or should be. A mostly flattering picture too. No red eyes or goony grins. See if you recognize anyone you know in this written collection of snapshots.
