Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Life and Writings of W. E. Benham: Containing an Account of His Early Life My object in preparing and publishing this brief outline narrative of my life and experience, together with some of the practical, moral and religious thoughts that have been precious to me, is to put myself on record, as a beacon, warning, admonition and comfort to others, as the case may be; that the record and themes herein set forth may perchance excite interest and reflection, which may profit some, at least, of my fellow-pilgrims who are likewise inevitably involved in fighting the same sober, earnest fight of faith for the common and special blessings of the life that now is, and I hope of that also which is to come; and that it may be the means of encouragement to escape and overcome the evil, and to seek for and attain the good. In my essays, some of which have been previously published, I have not sought so much to display flowery diction as to express in simple, plain language my conviction of such important, fundamental truths as I think should be taught and heeded by the present generation. I hope that all my readers, who shall see and regard these sentiments as I do, may hereby be helped to embrace and advocate them, and, thus avoiding error and evil, may attain and experience the highest possible good and know the joyful truth that brings salvation and eternal life.
