Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Most small business owners and self employed individuals are more concerned about the day to day issues of running your business rather than digging through thousands of pages of IRS publications to learn what deductions they might be entitled to on their tax returns. They also do not have the funds to hire a staff of tax attorneys to guide them through the maze known as the Internal Revenue Code. This book will be their staff of tax attorneys to guide them, and to provide them with legitimate deductions that they are entitled to take, but have not been doing so. More importantly, this book will give them methods of record keeping shortcuts designed to take less of their time, yet meet all IRS requirements. There is a lot of talk about a flat tax, and perhaps that would be a good thing. The chances of that happening anytime soon is remote, because politicians love to use (or abuse) the tax code to encourage investment, employment and other pet projects for their states. With the change of administration in the White House a few days away at the completion of this book, there will undoubtedly be many changes to the U.S. Tax Code over the coming months. They buyers of this book will be provided a six (6) month membership to taxsaver.co, (LAUNCHING IN JANUARY, 2017) where the author will be providing updates and changes to the Tax Code for its members. This book is designed to provide the reader with a quick reference not only to different deductions available to them, but also reference to the tax code and other authorities that they can use to provide to...
