

Cancer Vortex (Paperback)

By Kenneth V Anton

Raptor Press, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Cancer is recognized as a serious threat to just about everyone alive today. Soon it will overtake heart disease as the leading cause of death. As for the War on Cancer , it has been an abysmal failure after 40 years and hundreds of billions invested, yet cancer rates are increasing yearly. The truth is they have abandoned seeking a cure because the real money is made from treating cancer. The lack of progress can be attributed to the greed of Big Pharma and the Medical Cartel that has controlled American medicine for over 100 years. Sadly, hundreds of billions in drug profits take priority over the health of Americans. The book compares orthodox cancer therapy (limited to surgery, radiation and chemo) to natural therapies many of which have succeeded in curing tens of thousands of terminal patients. But despite this success, they have been persecuted and suppressed by the government. Tribute is paid to research visionaries, especially biochemist Dr Otto Warburg, who was awarded two Nobel Prizes for his groundbreaking discovery of the generic cause of cancer. Yet American medicine has shunned his...
