Broadway Play Publishing Inc, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Susan is a career woman with a seemingly perfect life, complete with sensitive husband and a brand new bundle of joy on the way. Beginning at the moment a very pregnant Susan goes into labor, the play follows her journey as she becomes a new mother, with a frighteningly inexplicable newborn to care for. Employing both realistic and surrealistic elements, BABY S BLUES explores one woman s descent into postpartum depression, but also brings into focus the difficult challenge of becoming a mother for the first time, as well as the fine line that sometimes exists between health and madness. BABY S BLUES makes a strong impact through powerful dialogue . It takes an emotional dilemma and winds it tighter and tighter and tighter to a wrenching peak, leaving us vibrating with the final impact . BABY S BLUES has undoubted immediacy. -Christopher Rawson, Pittsburgh Post-Gazette Tammy Ryan s fiercely emotional and darkly disquieting play takes a frank and sympathetic look at one mother s descent into serious psychosis brought on by the birth of her first child. Ryan works overtime to keep the story real yet understandable. It s a tensely orchestrated hundred minute journey unrelieved by intermission, yet there are moments of humor and irony. -Alice T Carter, Tribune Review.
