

## A State of Fear: Memories of Argentina's nightmare (Paperback)

By Andrew Graham-Yooll

Eland Publishing Ltd, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. For ten hair-raising years, Andrew Graham-Yooll was the news editor of the Buenos Aires Herald. All around him friends and acquaintances were disappearing . Although the slightest mistake might have caused his own disappearance, he didn't shrink from getting first-hand experience of this war of terror. He attended clandestine guerrilla conferences, helped relatives trace the missing, and took tea with a torturer who wasn't ashamed to make the most chilling of confessions. I have never read any book that so conveys what it is like to live in a state of permanent fear.--Graham Greene.
