

## Wolven

Filesize: 5.84 MB

### ***Reviews***

*This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).*

Chicken House Ltd. Paperback. Book Condition: new. BRAND NEW, Wolven, Di Toft, WOLVEN is a fantasy firmly rooted in the mysterious present. A boy and his eccentric grandparents live near a strange wood - apparently cursed. He longs for a dog - but the dirty ungainly farm creature finally found by his grandfather hardly fits his image of the perfect pet. And it howls in the night. But it's only when his dog starts to grow human ears that he realises that something is seriously wrong. The truth is stranger than his wildest dreams -the boy who appears, alarmingly unpredictably, is a kind of special werewolf in reverse. A noble, almost heraldic breed of WOLVEN - the kings own werewolves from ancient times, who have been in hiding until rediscovered by evil government scientists who are trying to breed werewolves as weapons.
