

Sidewinders #4 (Paperback)

Filesize: 7.32 MB

Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Sallie Wiegand)

Kensington Publishing, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. Famed for The Last Gunfighter and Mountain Man sagas, master storyteller William W. Johnston joins forces with J.A. Johnstone to let loose a pair of the most unforgettable, trouble-prone, hard-fighting cowboys the West has ever known--who are about to step in the biggest hornet's nest in Colorado Territory. . . A Good Name--For A Very Bad Town Bo Creel and Scratch Morton have a lot of experience with the law: they've been breaking it most of their lives. But now the drifters are down to their last dime, and they accept the best job they can get in a boomtown called Mankiller. Their boss is a drunken sheriff named Biscuits O'Brien. Their tin stars are mighty pretty. And they start to take their new job seriously--until they're standing between a cunning clan of killers and the town's cowering citizens--with the killers outnumbering the cowerers. The only hope for a besieged town, Bo and Scratch now have a chance to become real heroes--that is, if they don't get their heads blown off the minute they stick their snouts out of the door.
