David C Cook Publishing Company. Paperback. Book Condition: new. BRAND NEW, Be Responsible, Warren Wiersbe, "A bad workman always blames his tools." The ancient proverb rings just as true today, and it is with this challenge for personal responsibility that Dr. Warren Wiersbe begins this latest installment of his comprehensive study through the Bible. Responsibility is not a popular concept for modern sensibilities that prefer to emphasize victimization and blame-seeking. Unfortunately, finding even leaders who will take it can be difficult, to say the least. King David knew what it meant to be a responsible leader, and so did his son Solomon . . . until the closing years of his reign. But out of the twenty subsequent kings who reigned in Judah, only eight could be called good kings and responsible men who sought to obey God. Tragically, not only was there a lack of political moral leadership, but the spiritual leadership (priests and prophets) notoriously failed both God and the people. As you follow along with Dr. Wiersbe in this study of 1 Kings, you will see over and over again the importance of moral character in leaders, as well as the tragedy of leaving God out of national affairs. Clearly the call to Be Responsible is as much a need today as it was in the age of Judah's kings.
