By Lena Little Leaf - Beaudry

AUTHORHOUSE, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I am focusing on children s books because this is where we need to start in saving our language. I plan on publishing more books for children in the near future. My books will be in written form and audio format so children can read along as I tell the story. It will not only be educational it will be fun for children to learn another language especially for our Blackfeet children who do not know their language. I chose to translate Goldilock and the Three Bears from English to Blackfoot because the book is classic and geared toward children which is my focus.
