Harvest House Publishers, U.S., United States, 2009. Paperback. Condition: New. Original. Language: English . Brand New Book. Leslie Ludy, popular writer and speaker, has a powerful message for today's single adults. Through personal experience and in interaction with thousands of young women over the past fourteen years, she has found that most Christian young women fall into one of two categories: those who are discontent and unfulfilled, constantly searching for the right one, and those who are consumed by a passionate romance with Jesus Christ and are living joyful, satisfied lives. Her desire is to help readers move toward the totally surrendered and fulfilling experience rather than one of striving and disappointment. Leslie shares firsthand stories and testimonials of modern-day single women who may sometimes struggle with loneliness and personal desires but who, in following God's plan for them, have discovered a deeper delight, purpose and true joy in their lives. Sacred Singleness gives every single woman the inspiration to live counter to the culture and find amazing opportunity in this sacred season.
