Simon Schuster Ltd, United Kingdom, 2004. Paperback. Book Condition: New. 165 x 104 mm. Language: English . Brand New Book. You re a librarian, not a detective, Catherine Penny s daughter reminds her. But Catherine, suddenly single in her sixties, finds it easy to slip into sleuthing mode when she leaves behind New York City and a failed marriage for a lovely 17th century cottage in the idyllic English village of Far Wychwood. But behind the town s quaint stone walls and lace-curtained windows lurk dark secrets and whispers of witchcraft. And when her crusty neighbor George Crocker dies in a tragic fire, Catherine alone suspects arson. Lacking hard evidence, the police pay little attention, and the villagers swear she must be mistaken. Catherine, however, is one feisty expatriate American who leaves no stone unturned when circumstances point to murder. She may not be Miss Marple--yet--but her ingenious knack for uncovering the truth is about to take Far Wychwood by storm!.

Reviews

I actually started reading this article publication. We have read and that i am confident that i am going to planning to study yet again once again later on. You can expect to like how the author compose this pdf.

-- **Zoe Hilpert**

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.
